1. Shri R. S. Kamat, Managing Director.

(B) Representing Workmen.

1. Shri Shivram Ajgaonkar, «Kamgar Karlaya» Behind Municipal Office, Panaji-Goa.

AWARD

By an Arbitration Agreement published in the (Extraordinary) Official Gazette, Government of Goa, Daman and Diu, Panaji, Goa, vide Government Order No. LD/1/ID(203)/72-73 dated 23rd April, 1973, Parties abovenamed referred two specific issues to my Arbitration under Section 10A of the Industrial Disputes Act, 1947. The agreement inter alia provided that the decision of the Arbitrator will be binding on them.

The specific matters in dispute referred to my Arbitration and decision are as follows:—

(a) «Whether the Management of Messrs Goa Bottling Co. P. Ltd., Margao (Goa) was justified in dismissing Shri Eliz Rodrigues, Driver-cum-Salesman and Shri Menino Barreto, Driver and in suspending Shri Shamsundar V. Amonkar, Driver-cum-Salesman.

If not to what relief they are entitled?»

(b) «Whether Shri Guilherme D'Costa, Mechanic, is on Employee of M/s. Goa Bottling Co. P. Ltd., Margao (Goa) or not?»

(Shri Guilherme D'Costa has been notified by both the parties as William D'Costa in their respective written Statements and for the purpose of this Arbitration William D'Costa is to be taken as Guilherme D'Costa).

As per one of the terms of the Arbitration Agreement, I was to give my award within 30 days. Since the copies of the reference published in the Official Gazette referring the above dispute for my Arbitration was not made available to me in time, the parties extended the time limit by mutual consent for proceeding with the case.

The parties were asked vide this Office Letter No. MDLB-2(27)/73 dated 25th May, 1973 to submit their written statements on the above case. Management of Goa Bottling Co. Pvt. Ltd. hereinafter referred to as «Management» submitted their written statement vide their letter dated 8-6-1973 which was received in this office on 14-6-1973. Shri Shivram Ajgaonkar, Chairman, Goa National Commercial Employees' Sangh, «Kamgar Karyalaya», behind Municipal Office, Panaji, Goa, hereinafter referred to as «Sangh» submitted their written Statements vide their letter dated 4-8-1973 which was received in this office on 6-8-1973. Due to various reasons, the case

could not be heard expeditiously. The Sangh submitted the rejoinder in support of claims of the Workmen vide their letter dated 10th September 1973. The parties further filed their joint statement intimating that they have amicably settled the dispute in respect of Mr. Menino Barreto and Mr. Shamsundar Amonkar and requested me to take up the issue regarding Shri Eliz Rodrigues, Driver-cum-Salesman and William D'Costa, Mechanic, for investigation and decision and to pass an Award in terms of the agreement arrived between the parties as far as the disputes in respect of Shri Menino Barreto and Shri Shamsundar Amonkar.

In view of the terms contained in the aforesaid joint Memo, only two specific matters regarding the dispute of Shri Eliz Rodrigues and Shri William D'Costa, Mechanic, remained for my investigation and decision.

The case was fixed for final hearing on 13th November 1973 at 10 a. m. in my office when Shri K. Soudagar, Personnel Officer, appeared for the Management while Shri Shivram Ajgaonkar, President, National Commercial Employee's Sangh, appeared on behalf of the Workmen.

The case of the Sangh is as under: —

1. Shri Eliz Rodrigues, Driver-cum-salesman, was placed under suspension on 24-1-1973 and his services were arbitrarily terminated by the Management perverting to act on the findings and conclusion arrived at by the Enquiry Officer into the charges levelled against Shri Eliz Rodrigues vide their letter No. GB/30/119 dated 9th February, 1973.

According to the Union, the Workman in question was not afforded the reasonable opportunity for defending his case. The Enquiry Officer being an outside Lawyer should not have been made as an Enquiry Officer. The charge sheet itself is illegal and not good in law. The Workman was neither asked to bring any evidence nor an opportunity was given to adduce his evidence. The Management does not seem to have standing orders. The Workman was not told as to the procedures adopted for holding a domestic enquiry and was not informed to bring his witnesses or Union Office bearer to represent his case fully. Hence the enquiry suffers from a serious infirmity and liable to be set aside.

2. *The case of Shri William D'Costa, Mechanic:* The case of the Sangh is that Shri William D'Costa was in the employment of Goa Bottling Co. P. Ltd., doing the work of repairing the vehicles of the Company on a monthly remuneration of Rs. 200/- p. m. The Management suddenly stopped this Workman from coming to employment on the ground that he was independent contractor and his service contract came to an end. The contention of the Management that Shri William D'Costa was an independent Contractor is opposed to facts and he was a full time Employee enjoying all benefits. In support of his contention, the Sangh produced a letter No. GB/38/573 dated the 22nd November, 1972 in which the Plant Manager required Shri William D'Costa, Mechanic, to work on all Sundays w. e. f. 26th November 1972 and he would be given his weekly off on Thursday. He was also asked to inform the requirements of the materials for maintenance of the trucks on previous day — *Exhibit W1*. *Exhibit W2* is a letter to Shri William D'Costa intimating him to stop maintenance and repairs of all the vehicles w. e. f. 7th March, 1973. However, he was requested to submit his quotation for major overhauling of the Bedford Trucks.

The Sangh argued that in the light of his submission and in the light of the contents contained in Exhibit-W1 and W2, Shri William D'Costa was an Employee of the Management and as such he requested the Arbitrator to declare that Shri William D'Costa is an Employee of the Management.

As against this, the case of the Management is as under: —

Shri Eliz Rodrigues was in the services of the Employer as a Driver-cum-salesman. In his capacity as Salesman, he was provided with large quantities of Company's products such as Gold Spot, Kismat, Parle-soda, etc. As a Driver-cum-salesman, it was his duty to sell the Company's products to the Customers and received the sales proceeds. Very often the said Workman was in the habit of retaining the sales proceeds with him without depositing the same with the Company's Cashier. Repeated warnings oral as well as writing to the said Workman in this behalf was found to be useless. This amounts to criminal misappropriation. The Management further stated that Shri Eliz Rodrigues was arrested by the Police on 23-1-1973 under Section 117 of the M. V. Act. (In support of this they produced a letter marked as Exhibit-M1). This is a letter addressed by the Police Station Colem to the Management reporting that Shri Eliz Rodrigues was driving a vehicle No. GDT-6215 under the influence of Alcohol. While he was released by the Police on the same

day, he caused a damage to the vehicle by dashing against an electrical pole wherein another leader by name Shri Tukaram was injured. Management vide their letter dated 24-1-1973 intimated that he was kept under suspension for driving the vehicle under the influence of liquor and he was further informed that the enquiry into the said allegations would be held by Shri M. R. Bhat, Advocate of Canacona on 31-1-73 at 3 p. m. A fair and proper enquiry into the above was held and the enquiry Officer came to the conclusion that the charge was proved. The Management accepted the findings of the enquiry Officer into the allegations levelled against Shri Eliz Rodrigues. Based on the findings of the enquiry Officer the allegations levelled against Shri Eliz Rodrigues, and also the past records, the Workman was dismissed from services for a proved misconduct after holding a proper enquiry. Hence the reference in regard to Shri Eliz Rodrigues is liable to be rejected.

As far as the dismissal of Shri Eliz Rodrigues by the Management is concerned, the following points emerge for my consideration:

1. Whether the Enquiry suffers from any infirmity?
2. Whether the charge against Shri Eliz Rodrigues has been proved?
3. If not what is the result?

Shri Eliz Rodrigues was charged with the misconduct of driving Company's vehicle under the influence of liquor on 23-1-1973 vide Management's letter dated 24-1-1973 which appears to be a charge sheet cum notice of enquiry cum the order of suspension: —

The enquiry into the said charge appears to have been held on 31-1-1973 as per schedule. But the so called enquiry proceedings does not indicate whether the Workman charged was allowed to cross-examine the Management witnesses nor did he decline to avail the opportunity of cross examining the witnesses. Neither the charge sheet nor the enquiry proceedings filed before me indicate whether the workman charged was told the procedure for holding enquiry and his right to representation, right to cross-examination or right to adduce evidence in support of his defence.

When the charge against the Workman was driving the vehicle under the influence of liquor, the witnesses for prosecution gave evidence in respect of certain other things such as causing damage to vehicle and causing injury to leader Shri Tukaram Gawas.

In my opinion the Enquiry was outside the scope of his Authority to have recorded evidence in respect of matters not covered by the charge sheet for which workman was not prepared for defence.

Further, the order of dismissal No. GB/30/119 dated 9-2-1973 indicates that the charge of driving the vehicle under the influence of liquor by Shri Eliz Rodrigues was proved as per the findings of Enquiry Officer, Shri M. R. Bhat. The Management has not produced the enquiry report of the Enquiry Officer including the findings thereon. — In the absence of the said report of the Enquiry Officer, I am not in a position to accept the mere statement of the Management in this regard. On the other hand, the judgement of the Court shows that Shri Eliz Rodrigues was not under the influence of Alcohol. Medical report relied upon by the Court showed that the charged workman was not under the influence of liquor. Such being the case, I am at a loss to know how the Enquiry Officer came to the conclusion that the Workman was guilty of driving the vehicle under the influence of the liquor. The mere statement of the Manager Shri Borker and Shri Tukaram Gowas cannot take the place of proof.

In the light of the judgement of the Court acquitting the Workman for the charge under Section 117 of the M. V. Act and in the absence of the Enquiry Report of the Enquiry Officer concluding that the charge against Workman was proved, I hold that the charge that Shri Eliz Rodrigues was driving the vehicle under the influence of liquor, has not been proved. Hence the dismissal is wrongful and therefore the said dismissal order is set aside. In the result, Shri Eliz Rodrigues, Driver-cum-Salesman is ordered to be reinstated to his original post with back wages and continuity of services and such other consequential benefits.

As regards Shri William D'Costa, I am called upon to decide as to whether Shri William D'Costa, Mechanic, is an Employee of the Management?

The Management contended that Shri William D'Costa was never an employee with them. He was only an independent contractor to carry out the repairs to the vehicles of the Company on a remuneration of Rs. 200/- per month. He used his

tools for effecting repairs. He did not enjoy any benefits like other Employees of the Management. I am unable to agree with the contentions of the Management for the following reasons: —

Letter No. GB/38/573 dated 22-11-1972 reveals that Shri William D'Costa, Mechanic, was required to work on all Sundays w.e.f. 26-11-1972 and was given his weekly off on Thursday in lieu of Sunday. He was further required in the said letter that he should inform about his material requirement on every previous day for carrying on the maintenance work of Trucks. He was also required to check all the trucks and keep them fit for the next day.

The contents of the said letter are self explanatory and no further elucidation is necessary to prove that Shri William D'Costa was an Employee of the Management or not.

The letter dated 6th March, 1973 of the Management addressed to Shri William D'Costa can be construed as a letter of dismissal in as much as it informs that with effect from 7th March, 1973 Shri William D'Costa should not maintain and repair the vehicles. He was further required to submit his quotation for major overhauling of Bed Ford Trucks. This also clearly shows that Shri William D'Costa was an employee of the Management. There are number of rulings of Supreme Court to support my findings that Shri William D'Costa is not an independent contractor but an Employee of the Management of Messrs Goa Bottling Co. P. Ltd., Margao. The latest ruling in this behalf is reported in Silver Jubilee Tailoring House V/S Chief Inspector of Shops and Establishment vide 1973-ILLJ.495.

For the foregoing reasons, I have no hesitation to hold that Shri William D'Costa is an employee of the Messrs Goa Bottling Company P. Ltd.

For the foregoing reasons, I reject the contention of the Management both in the case of Shri Eliz Rodrigues and Shri William D'Costa. I pass the following Award: —

1. Shri Eliz Rodrigues, Driver-cum-Salesman is reinstated with back wages and continuity of service with effect from 24th January, 1973. He is also entitled to all the consequential benefits arising out of reinstatement as ordered above.
2. Shri William D'Costa is an Employee namely Mechanic with the Management of Goa Bottling Co. P. Ltd.
3. Mutual Agreement in respect of the dispute regarding Shri Menino Barreto and Shri Shamsundar Amonkar is accepted as being fair and reasonable.

I pass a consent Award in terms of the Agreement arrived at between the Management and the Sangh accordingly. (Copy enclosed — Exhibit-M2).
